August 2023

Dear Friend,

We are planning our Tenth Annual Dom's Day to support The Dominic Trionfo Memorial Fund on Sunday, October 8, 2023 at Longwood High School in Middle Island. Thank you for all those who helped make each year a big success. With everyone's contributions, it be monetary, time, and/or spreading the word about our event and fund, we can continue to have this wonderful day in memory of Dominic as well as support community scholarships and our Boater and Water Safety Classroom Program. Our organization has distributed over \$20,000 in academic and athletic scholarships to the Longwood Community since 2012. We also have supported local families who experienced loss, assisted charities who support underprivileged children, and provided Chromebooks to Longwood during the COVID-19 pandemic.

Dom's Day will consist of a car show, children's activities, such as pumpkin decorating and games, basket auction, and a large ticket raffle. We are writing this letter with the hope that you or your company would be in a position to help us with a tax deductible financial donation or with a donation of merchandise or gift certificate to use as part of our basket auction on the day of our event.

On May 20, 2012, what began as a beautiful day at the start of the boating season, ended tragically as our Dominic finally got the chance to use the family's jet ski on his own, a feat that he was anticipating since our family had acquired the jet-ski two years before. Dominic knew that he needed to get his boater's license in order to ride on his own. Dom took the required boater safety class after he was eligible at the age of 14 and just couldn't wait for this day. Tragically his anticipation ended in devastation and he died that fateful day while on his first solo ride on the jet-ski.

Dominic played football for Longwood High School and LYSA. He loved the Jets and playing for Longwood. He had a compassionate heart and a kind soul. This October Dominic would have been turning 26. He would have played on the varsity football team and graduated from Longwood High School in June 2015. To honor Dominic and his love of the water, our family has established a not-for-profit organization to promote the importance of boater and water safety on Long Island. We created an Award Winning Boater and Water Safety Activity Book and Classroom Program. Since May 2017, it was distributed to over 35,000 children in elementary schools at no cost to them. Our program was featured on News 12. Please see our website for information.

To donate a basket or a gift certificate to be included in our Basket Auction please email your commitment to info@dominicmemorialfund.org by September 25, 2023. While all support is appreciated, we have found that baskets valued at \$50 or more raise substantially more for the cause.

If you are interested in sponsoring the event, please see our sponsorship form or visit dominicmemorialfund.org/sponsor for more information.

Please visit our website www.dominicmemorialfund.org to sign up to volunteer at our event and to find out more information about The Dominic Trionfo Memorial Fund, Dom's Day, and our efforts.

Sincerely,

The Monat/Martinelli Family – Family of Dominic Trionfo
